Trust is Just One of the Things We Build Well

DAL is the leading go-to company when you want your project done right. Serving the areas of VA, NC, MD, NJ, and DE, DAL brings highly professional Superintendents and Project Managers to every project we perform on. DAL stands by its high level of quality, safety, and trust that we offer our clients and our subcontractors.

DAL Construction, LLC

11841B Canon Blvd Newport News, VA 23606

Building the Future...
Restoring the Past

Who We Are

DAL Construction, LLC was established in 2009 in Newport News, VA by Mr. Dennis LeBlanc. Mr. LeBlanc had the passion, experience and dedication to want to open up his own GC firm performing services for local, state and federal governments. Therefore in 2009, Mr. Dennis A. LeBlanc and Mr. Carlos O. Viteri, owner of Viteri Construction Management, Inc, partnered up utilizing their individual and business skills to begin the company.

DAL has been busy since 2009, winning a Regional MACC contract with the U.S.C.G performing over 60 task orders in over 5 states with task orders ranging from \$9,500.00 to over \$2.5M. In addition, DAL has worked on projects at the VAMC in Richmond, performed a project for the City of Portsmouth, and has been selected as a qualified GC for the VA Statewide SWAM and the James City County Housing Authority. DAL is SWAM certified and also a federally Certified Service Disabled Veteran Owned Small Business.

DAL is committed to providing our customers with quality craftsmanship, commitment to safety, total quality control, and superior project management capabilities.
